To. Wendy R. Dixon
EIS Project Manager

My Name is Carolyn Goolsby Manuel, I very Concern About this Waste at Yucca Mountain, I was at the Hearing January 11, 2000 And they were asking the Same Question that I Concern About, Decrease, Concern of high-level radioactive waste inventory

1 My Question is And the Native American tribes in the Yucca Mountain region value the Cultural resources in the region & Believe that the region's Water Animals, plants Air Geology & Artifacts!! in the Draft on page 5-65. 5.11.2 has the Word Artifacts, the Meaning in the Webster Dictionary Say

Something made by man Showing human modification or Workmanship That too Carolyn Goolsby Manuel, would Be the Native American tribes & the Continue to Claim title to land in Nevada including the Yucca Mountain site

Check it Out!
