EIS001947

RECEIVED

FEB 0 2 2000

Bill Richardson,
Secretary
Department of Energy
1000 Independence Ave, SW
Washington, DC 20585

January 24, 2000

Dear Mr. Richardson,

1 I am concerned about the transportation of nuclear waste through the Nevada ~~Hi~~ high desert.

2 Please extend the comment period on this plan & hold a public hearing.

1 cont Hopefully an alternate plan can be made to transport this highly hazardous material.

Thank you,
Stephanie Sugars
