Ms. Dixon, EIS manager
Office of Civilan Radioactive waste
U.S. Department of Energy m/s 010
P.O. Box 30307
North Las Vegas, NV 89048-0307

Dear Ms. Dixon:

1 I am a student in 8th grade at Rosemary Clarke Middle school. I am very concerned with the waste products that are going to be transported into our state.

I think each state should take care of their own waste. If they did we wouldn't have to worry about spills or radiation exposure.

Thank You,

Jennifer Bagaas
