RECEIVED

August 31, 1999

Dear Ladies and Gentlemen

SEP 01 1999

The E.I.S. has been released and i wish to make my comment's on Yucca Mountain.

THE OLD "ATOMIC ENERGY COMMISSION" HAS A NEW NAME BUT NOTHING HAS CHANGED.

01 THEY DECIDED LONG AGO THAT NEVADA WAS A WORTHLESS, BARREN WASTELAND FIT ONLY FOR ALL THOSE SUPERFLUOUS ATOMIC TEST'S (DID WE NOT LEARN THE AWE-SOME POWER OF THE ATOM AT HIROSHIMA, NAGASAKI, AND BIKINI ATOLL). AND NOW NEVADA IS TO BE USED AS THE DUMP FOR RADIOACTIVE GARBAGE FROM ALMOST EVERY STATE AND EVEN SOME FOREIGN COUNTRIES !!!

WE LIVE IN A VERY DANGEROUS WORLD, THE UNITED STATES OF AMERICA IS RIGHT AT THE TOP OF THE SHIT LIST'S OF SEVERAL COUNTRIES, NOT TO MENTION WE HAVE OUR OWN HOMEGROWN CRAZIE'S WHO WOULD PERHAP'S CREATE AN INCIDENT.

02 THERE IS NO SAFE TRANSPORT FOR HIGH LEVEL NUCLEAR WASTE, ie ROCKY FLAT'S EVENT MID AUGUST 1999, INFERIOR CASKS, THE COMPANY WAS FINED ! GOSH WOULD'NT THAT BE COMFORTING TO ANYONE CONTAMINATED ALONG THE ROUTE TO YUCCA MOUNTAIN!

03 ANY STATE WHO CHOOSES TO OPERATE NUCLEAR POWER PLANT'S CAN TAKE CARE OF THEIR OWN NUCLEAR WASTE, DON'T SEND IT TO NEVADA, WE DON'T WANT IT ! NEVADA AND THE MAJORITY OF HER CITIZEN'S DO NOT WANT YUCCA MOUNTAIN !

Sincerely

Mary Hales
