>>* Lone Pine is not on a transport route, but shares the water that a
>>Yucca Mountain nuclear waste dump would contaminate -- DOE
>>does not deny it, they list dilution in the ground water as part of their
>>"containment strategy" in official presentations on the site!
>>
>>** St. Louis has been added -- thanks to the noise we are making!
>>
>>
>>FOR MORE INFORMATION about these hearings, AND TO
>>CONFIRM DATES you can contact the DOE toll-free at
>>(800)967-3477 or by e-mail: eisir@notes.ymp.gov
>>
>>
>>To check out the projected nuclear waste shipping routes in your
>>state, visit the State of Nevada's Nuclear Projects Office and look at

>>
>>DON'T STOP NOW IN TELLING DOE THEY NEED TO HEAR FROM
>>YOU!!!! How far would you have to travel to attend one of these
>>meetings? Are they going to pay your way?
>>
>>WRITE OR FAX Energy Secretary Bill Richardson (sorry, e-mail is
>>nonexistent terms of making a "presence felt" in Federal Agencies)
>>demanding a Yucca Mt. EIS Hearing in your community.
>>
>>Bill Richardson, Secretary of Energy
>>1000 Independence
>>Avenue, SW, Washington, DC 200585
>>fax 202-586-4403
>>
>>Send a copy to Mr. Lake Barrett, Acting Director, DOE Office of
>>Civilian Radioactive Waste Management, (same address). You might
>>also call his office to try and start the balls rolling (phone:
>>202-586-6850).
>>
>>Be sure to include in the letter (personally written material really is
>>the best) details about the routes in your area -- proximity to schools
>>or hospitals, details of weather or other challenges that make your
>>area unique. Emphasize what a large potential impact this is to your
>>community and the fact that DOE has no credibility when it comes to
>>generic statements.
>>
>>IT IS VITAL THAT WE HAVE LARGE NUMBERS OF PEOPLE
>>ATTEND THESE HEARINGS.
>>NIRS will help you with materials--fact sheets, our famous
>>"Radioactive Waste Trucks and Trains Headed Your Way" brochure,
>>and contacting people in these areas on our mailing list. Please
>>network and help get the word out.
>>
>>If you get a hearing in your community we will help you too! Call
>>NIRS 202-328-0002. Ask for Mary Olson, or after Sept 6th, Kevin
>>Kamps...or e-mail to maryo@nirs.org & check out our website:
