MR. QUIRK: I'm Jim Quirk from Amargosa Valley,  
and I have a written statement. I just wanted to come up and  
not give my written statement, say that it is my feeling as  
Amargosa citizens that I am not happy with Yucca Mountain being  
considered in our area and that I have written statements  
against the EIS. I'll submit those.

MR. BROWN: Thanks very much.

David Hockert.
