NEVADA IS NOT A WASTELAND

Have you ever heard the song, "Oh give me a home where the Buffalo rome and the deer and the antelope play. Where There could be heard a discouting word and the sky is sunny not gray." In other words if you put waste in this land my Home will be a junk yard. You will ruin the Boys & Girls of Mason valley. Is that what you want, me to walk down the streets with junk all over them. I know that I sure don't. People are always telling me to recycle and how am I supposed to live in a safe community when nobody else recycle. If voting is wrong, then I don't want to be right. I would like to be heard. We already have had one terriost attack and many people lost thier homes. I don't want to lose mine. United we stand together we fall.
