1 name?

MR. LAWSON: Thank you. And can you spell your

2

MR. LYTLE: L-y-t-l-e.

3

MR. LAWSON: Okay, sir.

4

MR. LYTLE: [I want to go on record as opposing

5 the Yucca Mountain Project. I think the people of Lincoln

6 County has paid their dues.

7

My mother died of cancer. I had a brother-in-law

8 die of cancer, and looking at your map, it looks to me like

9 ninety-nine percent of the spent nuclear fuel is in the East.

10

There's a few scattered out in the West, but not

11 like the East, and when you start shipping 150,000 tons across

12 the United States, that's going to be a terrorist's dream.

13 You're going to have lots of accidents, and I don't know.

14

I don't know what they can do or what they can

15 do, but it looks to me like they'd be ahead to keep it where it

16 is rather it ship it that far.]

17

Thank you.
