Comments: (If possible, please reference section number and/or page number in document if applicable.)

1 I AM AGAINST NUCLEAR POWER BECAUSE  
 OF THE WASTE CONTAMINATION. AS A  
 RESIDENT OF NEVADA I AM VERY UPSET  
 THAT THE POWER COMPANIES WANT TO USE MY  
 STATE AS A DUMP SITE. THERE IS NO WAY  
 THAT YOU CAN CONTAIN THE CONTAMINATION  
 TO REASONABLE LEVELS. 90 MILES IS TOO CLOSE  
 TO OUR MAJOR METROPOLITAN AREA. ALSO THE  
 WIND COMES FROM THE NORTH WEST DIRECTLY  
 OVER YUCCA MTN. TOWARDS LAS VEGAS.

2 Let the power companies use some of the  
 profits to build on site storage. This material  
 should not be transported. It is too dangerous

PS - THANK YOU Anthony John Estreito  
 2 (continued) LET EACH STATE TAKE CARE OF THEIR OWN  
 NUCLEAR WASTE.

Please note: For your comment(s) to be considered in the Final Environmental Impact Statement, your comment(s) need to be received by the Department of Energy by February 9, 2000. To the extent practicable the Department will consider comments received after February 9.

Please feel free to attach additional pages; more postage may be needed. If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted line so address and postage-paid notice are visible; then secure with tape.
