Ms. Wendy R. Dixon, EIS Project Manager
Yucca Mountain Site Characterization Office
Office of Civilian Radioactive Waste Management
U.S. Department of Energy
P. O. Box 30307, M/S 010
North Las Vegas, NV 89036-0307

Dear Ms Dixon,

1 [Personally, I am delighted that the U. S. Department of Energy will be transporting nuclear waste through the great state of Missouri. Unlike many here, I understand the need and importance of safe disposal. So tell your staff and contractors to enjoy their transit. The Gateway to the West is still open for business . . .]

Sincerely,

Michael Miksicek
