Comments: (If possible, please reference section number and/or page number in document if applicable.)

IF THE PROPOSED DISPOSAL IS ESTIMATED  
TO BE SAFE, WHY NOT HAVE THE NUCLEAR INDUSTRY  
TAKE FULL RESPONSIBILITY - FULL LIABILITY -  
FOR ANY HARM INVOLVED? IT'S THEIR  
MESS - WHY SHOULD TAXPAYERS TAKE THE  
RISK FOR THEM? OUR SUBSIDIZING THEIR RISK  
GIVES THEM AN UNFAIR COMPETITIVE ADVANTAGE  
OVER OTHER ENERGY SOURCES.

Please note: For your comment(s) to be considered in the Final Environmental Impact Statement, your comment(s) need to be received by the Department of Energy by February 9, 2000. To the extent practicable the Department will consider comments received after February 9.

Please feel free to attach additional pages; more postage may be needed. If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted line so address and postage-paid notice are visible; then secure with tape.

NO POSTAGE  
NECESSARY  
IF MAILED  
IN THE  
UNITED STATES
