1 MR. WATTERSON: I'm Ken Watterson, K-e-n W-a-t-t-e-r-s-o-n, from the Timbisha Shoshone Tribe. I am personally in agreement with all the comments made by the Consolidated Group opposed to the Yucca Mountain provision. As for the official comments by the Timbisha tribe, they will be given by our tribal spokesperson when DOE meets with the DOE in government-to-government consultation. That's it.
