ALAN KALT: For the record, my name is Alan

- 6 Kalt, and I'm with Churchill County, and we received an
- 7 e-mail requesting that the testimony of our governor,
- 8 Kenny Guinn, be submitted into the record, his comments,
- 9 and what I would like to do is, on his behalf, go ahead
- 10 and submit these written comments and, for the sake of
- 11 convenience, forego reading those comments, but if they
- 12 could be included in the official transcript, we'd
- 13 appreciate it.
