17 MR. NORTON: I just say, put it in here. My
18 name is Howard Norton. I'm a retired colonel. And
19 I've been over on bomb tests and I worked for Atomic
20 Energy Commission while I was in the service.

21 MS. TICE: Were you Army, Air Force?

22 MR. NORTON: I'm in the Air Force. Where
23 else you going to put it? Unless you want to put it in
24 Afghanistan right now. That's all I have to say.

25 MR. STUCKER: We appreciate you coming in and
