

17                   ROBIN RICKMAN: I'm representing  
18                   Westinghouse Electric Company, 4350 Northern Pike,  
19                   Monroeville, Pennsylvania 15146. [Westinghouse  
20                   Electric Company supports the Department of Energy's  
21                   approach to the long-term disposal of nuclear waste  
22                   at Yucca Mountain.]
