Dear EIS staff,

I realize that you have a very difficult decision on your hands  
Whatever you choose will affect many people in different and  
difficult ways. I appreciate your willingness to step into the  
decision-making process for our people and all future beings.

I [ I write to ask you to NOT deposit nuclear waste material at Yucca  
Mtn. Among other things, it is a site sacred to the Shoshone Indian  
people who have already suffered grievously from the ravages of  
nuclear waste in other Nevada nuclear testing sites. ]

Thank you,  
Kaia Svien, MS
